If art is to be hung on the wall, it **must be suitably framed**. Gallery wraps with painted edges are acceptable. Watercolors, pastels, photographs and drawings **must** have glass. Paintings **must be wired with picture wire and ready to hang**. Wire needs to be 3" (at its peak) from the top edge of the frame, see below. *Sawtooth hangers are not acceptable*. If you are entering sculpture or other three dimensional work, you may bring your own display pedestal or display box as Art Mundo has limited pedestals.

Each entry must have the title, medium, sale price and the artist's name, address, email address and telephone number attached to the back. **Please print** clearly to avoid confusion about your work; labels are printed from this information. Art Mundo has the right to reject any piece it feels is inappropriate; decision of the Art Mundo Board is final.
